### **Website disclaimer**

The information contained in this website, the publication and/or other materials of the SE4All High Impact Opportunity Clean Energy Mini-Grids (hereafter: "HIO") is for general information purposes only. The HIO, the authors and/or the contributors make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability of the information, products, services, or related graphics contained in this website, the publication and/or other materials of the HIO for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will the HIO, the authors and/or the contributors be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this website, the publication and/or other materials of the HIO.

Through this website, the publication and/or other materials of the HIO, interested stakeholders are able to link to websites which are not under the control of the HIO and/or the authors. The HIO and/or the authors have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them.

Every effort is made to keep the website up and running smoothly. However, the HIO takes no responsibility for, and will not be liable for, the website being temporarily unavailable due to technical issues beyond our control.
